subject: Fw : Cardox Spareparts Enquiries

Dear Debra Middleton....

Herewith I would like to offer our thanks to you because of our Cardox Equipment which was delivered to us in middle 2002 and has helped us for overcoming build-ups in kiln inlet so we can continue operation of kiln. But right now, we need some parts as mentioned below :

D77,5 sets of consumables part no. 700-001 250pcs consisting of:
D77,5 safety heater,
SD-100 shear disc and DW34F Washers
for Cardox tube type B37
Cardox tube type F57-L complete with new order 2pcs firing and discharge head
D115 sets of consumables consisting new order 100pcs
of : D115 safety heater, SD-370 shear
disc and copper washer for Cardox tube type F57-L
51 mm Diamond Core Drill Bit part no. 900-010 2pcs
dia. 2 inches, length 500 mm

Delivery Address : PT. Semen Tonasa
Tonasa, Pangkep, Sulawesi Selatan, Indonesia
phone : 62 411 320671
fax : 62 411 313575
