Dear Sir,

We would like to express our gratitude for your help unplugging our soy bean meal silo.

The silo contained 800 T meal and had been plugged for four weeks.

All the tricks we knew to unplug the silo did not show improvements on the situation.

It was impressive to see the result of your system that allowed us to empty the silo within 24 hours from the time you arrived and without any product loss.

For our other plants we would like you to sent us some brochures.

Regards,

Mr. Coen Lommelaars
Plant Superintendent
Soy Plant, Amsterdam.
